

## ***Senior Evaluators***

ITAD Ltd is seeking two senior evaluation professionals to join us on a permanent and full time basis.

ITAD is recognised as a leading consultancy for monitoring and evaluation in international development and with a very strong record in major institutional and thematic evaluations for a wide range of agencies. With an increasing focus within development agencies and governments on results and accountability, so the demand for evaluation is also increasing. ITAD is recruiting to respond to this demand.

You will be an evaluation specialist with proven expertise and experience in designing, managing and leading complex evaluations. You will be familiar with different approaches to evaluation, with proven expertise in data collection and analysis. You will be fluent in written and spoken English and have strong report-writing and presentation skills. Proficiency in one or more of the other UN languages would be an advantage.

You will have a post-graduate degree in an applied development field, and a minimum of 10 years' relevant work experience.

You must have permanent residence status (indefinite leave to remain) in the UK, and be willing to relocate to the Brighton area.

***Deadline: 17<sup>th</sup> September 2010.***
