

Senior Consultant- Evaluation and Impact Assessment

The Evaluation Partnership (TEP) is part of Coffey International Development Limited and is a highly successful specialist consultancy based in Central London

We specialise in the systematic evaluation, monitoring and impact assessment of public policies, programmes, regulations and other interventions across a wide range of policy areas. We have a long track record of delivering high quality research, advice and analysis to the European Commission and other public sector clients in Europe and the UK.

The position

TEP is seeking to recruit a Senior Consultant to further develop our capacity in the EU market. The main responsibilities include:

- Delivering evaluation and impact assessment work, gathering and analysing evidence, and writing high-quality reports for our clients.
- Managing evaluation and impact assessment projects, co-ordinating the work of TEP consultants and external experts, and establishing good working relations with clients.
- Helping to grow TEP's business by acquiring work, writing successful proposals, and developing new and existing markets.
- Contributing to strengthening TEP's capacity to deliver evaluation services in different sectors and using innovative methods and approaches.

The person

The successful candidate will need to possess the relevant work experience, and demonstrate the following key skills and attributes:

- A very good understanding (based on previous experience) of the main approaches, methods and tools used to evaluate public sector interventions;
- Significant experience with applying different quantitative and qualitative research techniques;
- A keen interest in public policy, and the European Union and its institutions in particular;
- An entrepreneurial attitude and a desire to contribute to business development;
- An excellent command of the English language. Additional European languages would be an advantage

This role provides the opportunity to further develop both your evaluation and project management skills within a team of like-minded professionals. You will play a leading role in the delivery of challenging evaluation assignments across the European Commission as well as for other high profile clients. The position being offered is a full-time permanent post based in TEP's offices in Central London and the role will involve regular travel both in the UK and overseas.

To apply, please send your CV and a covering letter to: recruitment@evaluationpartnership.com with reference "SC E 0110" before 1 June 2010.
