

CALL FOR APPLICATIONS

CANDIDATES FOR EXPERTS ROSTER

The Multilateral Fund for the Implementation of the Montreal Protocol invites applications from qualified professionals with expertise in monitoring and evaluation and in technical areas relevant to the Fund's activities for review and inclusion in its roster of experts.

Work experience in environmental sciences with focus on atmospheric sciences, environmental management, law, institutional strengthening, project implementation is required as well as in evaluation of projects and programmes. Candidates with the requisite skills and experience will be included in the roster and considered for temporary, short-term assignments related to monitoring and evaluation activities.

Interested candidates are invited to send their CV in electronic copy marked "Evaluation" to the Senior Monitoring and Evaluation Officer at evaluation@unmfs.org, copy to the Senior Administrative and Fund Management Officer at secretariat@unmfs.org. Applications from women experts and experts from developing countries are particularly encouraged. For more information on the Multilateral Fund, please visit our web site: www.multilateralfund.org.
