

## Tender

### Searching for a consultant for an evaluation in Poland

Rosa-Luxemburg-Stiftung (RLS) is looking for a consultant / expert a summative evaluation of projects in Poland. Applications are possible as individuals or as part of a team. The evaluation will be conducted in German, English and Polish. The Evaluation will look on the period from 2016 to 2019.

#### Offer and deadlines

If you are interested, please submit the following documents:

- A quote for an evaluation study according to the Terms of Reference, including a timetable,
- Total fee costs and daily rates; travel expenses are reimbursed according to BRKG and do not need to be stated in the offer (daily allowances / additional catering expenses are not additionally reimbursed).
- a detailed and comprehensive CV,
- Informal explanations of your work and working methods, revealing experiences with the impact analysis of activities of social organizations in an international context, in particular political education, and with related evaluations,
- if you have experience with other important aspects from our tender / the Terms of Reference, please also refer to them

#### Expected qualifications

- High methodological competence, above all in qualitative and participative methods, high analytical ability,
- Evaluation experience,
- Fluent in German and English
- Basic knowledge of Polish language,
- Good knowledge of the Eastern Central European region and in particular of Poland and its political and civil society actors,
- Knowledge of the work of political foundations is an advantage,
- Intercultural Competence.

Documents from interested parties should reach us by 22.09.2019 (electronically preferred). The mandate will be given until 27.09.2019.
